PRESS RELEASE

Kieback&Peter switches off the lights! **Earth Hour 2021**

Berlin, 25.03.2021: The leading expert in building automation is part of it. On 27.03.2021 at 8:30pm sharp people, cities and companies around the world switch off the lights for 60 minutes. A vote for more climate protection by lightswitch. Earth Hour.

Together with WWF Germany Kieback&Peter is also sending a strong signal for more protection of our climate and future of our planet. The lights of the company headquarters in Berlin-Neukölln, the production plant in Mittenwalde (Brandenburg) and further branch offices across the country are going to be switched off for 60 minutes.

For more than 90 years, the Berlin family-owned company has been dedicated to efficiency, safety and comfort in buildings. Thereby the issues of climate protection and climate neutrality are omnipresent. Buildings are responsible for a substantial part of total energy demand and CO² emissions, causing around 35 percent of final energy consumption and about 30 percent of CO² emissions.

With digitalized solutions tailored to requirements Kieback&Peter increases energy efficiency in buildings, reduces CO² emissions and creates added value for people and environment.

About Kieback&Peter

Kieback&Peter GmbH & Co. KG was founded in 1927 in Berlin. With over 1,400 employees and 50 locations worldwide, the family-owned company is one of the leading providers of building automation. Experts integrate building systems such as heating, ventilation, air conditioning and fire protection in one optimized system with the aid of software and hardware. The medium-sized company ensures more comfort, efficiency and security in the building by using simple, smart solutions.

Experienced professionals look after the properties of commercial and public customers throughout their entire lifecycle – on-site, remotely and with centralized services. The engineers and technicians work with great passion on tailor-made automation solutions for their customers. They take just as much care of prestigious buildings like the Berlin Reichstag as they do the school next door. Kieback&Peter's top international customers include Airbus, Daimler and Volkswagen.
